A young man with short brown hair and black-rimmed glasses is looking directly at the camera. He is wearing a dark, textured cable-knit sweater over a light-colored collared shirt. He is holding an open book with both hands, and the pages are slightly blurred. The background is a library with tall bookshelves filled with books, and a window with a white frame is visible behind him. The lighting is soft, coming from the right side, creating a slight shadow on his face.

Specialisation courses provide students  
with the necessary professional  
competencies in specific  
areas of study.
