

CRITERIA FOR THE DEFINITION OF THE DEGREE VOTE FOR THE MASTER'S DEGREE COURSES IN MEDICINE AND SURGERY

The degree mark is determined on the basis of the following parameters:

- a) the arithmetic average of the marks obtained in the exams multiplied by 11 and divided by 3, which gives a result expressed in up to 110. Praise does not represent additional score;
- b) the points awarded by the Graduation Commission when discussing the thesis, can be up to a maximum of 11 (in relation to the value of the thesis, the clarity and the effectiveness of the candidate's presentation and the quality of the slides presented).

Requirements for the awarding of praise

- 1. The result of the above a) not less of 102/110 (minimum average score $27,7 = 101,6 \rightarrow 102$);
- 2. Final Graduation score, comprehensive of the points awarded by the Graduation Commission when discussing the thesis, not less of 110/110.
- 3. Achieve a minimum virtual score of 116 (if points 1 and 2 are true). If otherwise, the candidate reached a final virtual score between 110 and 115, some bonus points can be added to award the minimum of 116 as described below:
 - a) points for the duration of the studies:
 - I. Graduation not over 6 years, 3 bonus points;
 - II. Graduation in 6 Years plus one, 1 bonus point;
 - b) points for awarded praises:
 - I. from 3 to 8, 1 bonus point.
 - II. Over 8, 2 bonus points.
 - c) Points for joining the ERASMUS program:
 - I. from 3 to 6 months, 1 bonus point;
 - II. from 7 to 12 months, 2 bonus points;
 - d) points for joining activities of cooperation, promotion and inter-university cultural exchanges, in clinical and / or research facilities in Italy and / or abroad, financed through contributes granted from The School of Medicine and Surgery of the University of Campania L. Vanvitelli

(Cat.2 cap.8 of the Faculty budget):

- I. for every 30 days of performed activity, 0,25 bonus points.

The “recommendation for press publication” can be awarded, with the endorsement of the Commission, only to candidates for whom there is an explicit statement by the Supervisor if the data of the thesis have never been published in the past.
