Update of Regional Tax rates for the Right to University Education A.Y. 2024/2025

We inform you that the Regional Council of Campania has changed the amount of the **regional tax for the Right to University Education - A.Y. 2024/2025** - adapting it to the programmed inflation rate (*TIP*), as required by Law 28 December 1995, n. 549.

The new tariffs, defined with Council Resolution no. 416 of 6 August 2024, are as follows:

- **€125.50** for those with an ISEEU value lower than or equal to that envisaged by the eligibility requirements for access to scholarships (*ISEEU < 25,500.00 euros*) and for students belonging to former developing countries art. 13 paragraph 5 Prime Ministerial Decree of 9 April 2001 (*Ministerial Decree no. 115 of 28 February 2023*);
- **€146.50** for those with an ISEEU value higher than the minimum level and up to double the minimum level required by the eligibility requirements for access to scholarships (*25,500.00 euros < ISEEU < 51,000.00 euros*) and for students with a family unit residing abroad;
- **€167.50** for those with an ISEEU value higher than double the minimum level required by the eligibility requirements for access to scholarships (*ISEEU > 51,000.01*) and for those who do not have an ISEEU certificate at the time of payment of the tax.

The above entirely replaces what is reported on page 6 of the Tax Manifesto A.Y. 2024/2025, approved with D.R. prior to the communication from the Regional Council.

To pay the regional tax for the Right to University Education, as well as to find more information, students are invited to connect to the [dedicated section of the ADISURC website](#).
